Code of Conduct Policy

Version 4 .3b

The policy has been taken from the English Karate Federation from which the Burnley Wado Ryu Karate Club are affiliated as part of the British Wado Ryu Karate Union (BWKU)

INTRODUCTION

The following information is for athletes and parents, detailing what is required of the Athletes on the Junior & Senior National and Regional Squads in terms of rules to be observed and behaviour that is acceptable. This Code of Conduct is based upon self-discipline, good behaviour both in and out of the Dojo, smart appearance, punctuality, respect and consideration for others, their property, politeness, good manners, honesty and tolerance. These values apply equally to all karate events, whether they are domestic or International events. The forms attached to this document must be completed and returned as acceptance of this Code of Conduct.

ATTENDANCE AND PUNCTUALITY

Regular and punctual attendance at training events, pre-training events and selections is required and the co-operation of parents is expected to see that this is achieved for the Junior/Cadets members of the squad. Whilst occasional, isolated lateness maybe unavoidable, athletes cannot be consistently late in arriving for training or in missing compulsory training sessions.

**CODE OF CONDUCT
POLICY (EKF)**

DISCIPLINE

1. The English Karate Federation expects certain standards from its squad members and good discipline in all areas of Karate. It is not the intention to emphasise a heavy-handed discipline; but-as in other parts of our lives – we must expect that ill-disciplined actions on our part will have consequences that we may not like, as will our failure to do certain things that are expected of us. In other words, we have to take responsibility for our actions.
2. Without giving an exhaustive list, behaviour which is unacceptable basically comprises all forms of anti-social behaviour, be it contrary to what is expected in the Dojo or in society at large.
3. There will be no buying or consumption of alcohol whilst representing the EKF at any domestic or international events for the duration of the event.
4. The following disciplinary sanctions may be used:
 - (a) Exclusion from National training events, this would be accompanied by a letter to the parent and Chief Instructor of the athletes club/association.
 - (b) Suspension from any and all EKF sanctioned events for a period to be determined by the Board of the English Karate Federation. Disciplinary sanctions are recommended by the National Coach, to the board, who make the ultimate decisions.
 - (c) Expulsion from the English Karate Federation.
5. All staff are involved in the maintenance of good discipline within the Dojo or Championships, in the event of any disciplinary matters arising; they should be brought to the attention of the Head Coach and dealt with as per the relevant EKF policy with guidance from the relevant person responsible for such policies. In the case of International events it is the Head of Delegation who holds the remit.
6. Please note that the journeys to and from karate events are occasions when England Tracksuits are to be worn, therefore we expect athletes to conduct themselves accordingly and maintain the good name of the Governing Body. This includes the wearing of the agreed England attire
7. It is worth mentioning that disciplinary action is designed for athletes whose behaviour or appearance is not acceptable, or who have failed to put in the necessary time or effort to achieve their best results. They are not intended for the punishment of athletes who have genuinely tried their best and have not succeeded.

Parents Code of Conduct

The Directors and National Coaches of the EKF want parents and coaches to support their children and students, but we ask that you do so in the correct manner and with this in mind we have produced a Code of Conduct.

1. Parents/Coaches must treat the training session with the same respect and etiquette as a Dojo session and observe the same protocols.
2. When entering and leaving the training area/Dojo please observe the required protocols (no undue noise, mobiles etc.)
3. If you are allowed to watch the proceedings, and then please be quiet, switch off mobiles etc.
4. If you need to chat to another Coach or parent, then this requirement should be conducted outside of the training area/Dojo.
5. By all means support your child/student, but in an appropriate manner

**BURNLEY WADO RYU

POLICY (EKF)**

6. Any misdemeanours and breach of this Code of Conduct will be dealt with immediately by an English Karate Federation official.

7. Persistent concerns or breaches will result in the parent/guardian being asked not to attend sessions if their attendance is detrimental to the child's welfare.

8. The ultimate action should a parent/guardian continue to breach the Code of Behaviour may mean the English Karate Federation officials regrettably asking the child to leave the Squad.

9. At squad training and selection sessions vocal support is **not** allowed.

10. If you have an enquiry, it must be addressed to the EKF Squad Administration Department, and not directly to the coaches. It is not appropriate that parents/coaches directly approach the coaches with issues. If you feel aggrieved and feel that you have a genuine complaint, then write to the EKF Squad Administration Department stating clearly your case/arguments and this will be forwarded to the Board of the EKF.

RULES TO BE OBSERVED WHEN TRAVELLING WITH THE EKF NATIONAL TEAM

The following rules pertain to both athletes and any parents/guardians or supporters.

1. For reasons of safety it is essential that the Squad remain seated together throughout the duration of the tournament and the journey to and from the event. The athletes must check with coaches or chaperones if, for any reason, they need to be away from the seated area (e.g. rest room breaks). If any issues arise then the athlete should speak to their respective coach or a chaperone. Athletes must **NEVER** go off alone. Athletes should also not wander off with parents or supporters, etc. Athletes are **NOT ALLOWED** to venture outside of the championship venue for any reason whatsoever without either a coach or chaperone present.
2. To create and promote a positive team spirit and to provide motivation for the competitors the squad is required to support each other throughout the duration of the tournament. Parents/coaches/supporters are requested to respect and comply with this request and if the venue arrangements allow then to sit behind and not amongst the squad at the Championships.
3. For reasons of safety and Child Protection it is necessary that groups of not less than 2 and preferably 3 (with one of the group being at least a junior – 16yrs +) visit the bathrooms/food outlets etc. together having requested and received permission to do so from the coach or chaperone. On returning to the seating area it is a requirement that the groups 'check back in' with the coach or chaperone so that the officials are aware of their safe return.
4. Parents, guardians, instructors, supporters, etc., are not permitted entry to the warm up room/area at the championships or the competition area.

**BURNLEY WADO RYU
KARATE CLUB
CODE OF CONDUCT
POLICY (EKF)**

5. Meal times are an excellent opportunity for the Head of Delegation or coaches to discuss the day's events with the athletes or to brief them for the following day. Therefore, it is required that **ALL athletes** remain together in the dining room for the duration of the meal and until they are dismissed by the coaches.
6. For insurance reasons only the official delegation may travel to and from the hotel & venue on the official bus/coach.
7. A curfew will be in place at all championships; to be decided by the Head of Delegation.
8. Should parents, guardians, instructors, supporters, etc., feel it essential that they speak to their child/athlete during such time when the squad is training, dining, competing, in their allocated rooms, in curfew etc. **then a chaperone may be approached/contacted** who will bring your child/athlete to you as opposed to taking you to your child/athlete. This ensures minimum disruption to the rest of the team and the proceedings.
9. Any misdemeanours and breach of this Code of Conduct will be dealt with immediately by an English Karate Federation official. Persistent concerns or breaches will result in the parent/guardian being asked not to attend sessions if their attendance is seen to affect athletic/sporting performance. The ultimate action should a parent/guardian continue to breach the Code of Behaviour may mean the English Karate Federation officials regrettably withdrawing the child/athlete from the session/competition and inform the board of the EKF as necessary.
